The venue

Nyenrode Business University is situated on a 60 hectare estate. The rich history of the estate and its Castle goes back to the thirteenth century. You can still see many historic features in and around the Castle, even though it was damaged and restored several times over the centuries. On the estate you will find many sights and monuments, such as the Rosarium, the Koetshuis and our Menagerie. Make sure you take a walk around the estate when you visit the 2024 FAR Conference.
